# INTRODUCING

an interactive online financial planning resource like no other

## Who is Acquaint Financial?

Acquaint Financial is one of the few independent companies in Canada that specializes in financial education. Their business was formed with one goal in mind – to educate and counsel employees across the country on personal financial planning. Their vision is one where all members receive the support they deserve and the comfort of feeling confident about their financial future.

Acquaint Financial provides you with high quality, objective and unbiased financial education and information.

## A versatile resource to meet your financial planning needs

In today's complex financial environment, making educated financial decisions and following a written financial plan have never been more important. Your employer understands this need and wants to help you prepare for a secure financial future.

As a result, we've entered into an exclusive relationship with Acquaint Financial Inc. to bring you *iAcquaint* – an online resource independently developed by Acquaint Financial.

As a member of your group plan, you have the luxury of learning at your own pace with unlimited access to the site – 24 hours a day, seven days a week. *iAcquaint* adjusts to many different learning styles and tailors to all levels of financial knowledge. And there's more ... *iAcquaint* is easy to navigate and the content is presented in a plain, easy-to-understand style. This site was designed with you in mind – you are the 'i' in *iAcquaint*.

## How can I benefit from using *iAcquaint*?

*iAcquaint* is an interactive web-based learning experience like no other. Its versatile platform gives you a wide range of exciting options from customizing a complete personal financial plan to browsing voice-interactive learning modules. *iAcquaint* even has financial learning games to prove that financial education doesn't have to be boring. Imagine all that.
